

Appendix 6 –Community Consultation Summary Table

#	Group/Forum	Date/Location	Technique	Feedback by Group/Forum
1	'Love my Esplanade' Campaign (included partnership with Palmy Rocks and public celebration event at Esplanade Playground)	March/April 2017 Across whole site	Promoted via PNCC Facebook and sought shared photos with quotes about what they love.	Large amount of photos received. Playground, Rose Gardens and Train most popular. Photos now accessible on Manawatu Heritage website.
2	Esplanade Open Day	4 March 2018 Park Central – opposite Duck Pond	Hosted tent with staff and Councillors. A board with all features of park on it was available for people to identify thoughts.	Over 50 board 'fill ins' completed. Wide ranging support for all features. Concern raised about condition of aviaries.
3	Interactive User Survey	17 January 2018 Junior Road Safety Park, Park Central	Surveys completed by park users with discussion about park vision and future.	Over 50 completed. Users loved the openness of the park and native bush. Wanted more of the same but protect heritage.
4	Key Stakeholder Workshop 1	14 May 2018 Cafe Esplanade	Hosted workshop primarily about overall park values	12 attendees Core park wide values identified as family fun, seasonal, Victorian, indigenous, community. Undesirable attributes identified as unsightly rubbish, hard surfaces, poor maintenance, stark architecture and anti-social elements.
5	Key Stakeholder Workshop 2	29 May 2018 Cafe Esplanade	Hosted workshop primarily about overall park values	13 attendees Individual character area values identified. Discussion and support for Main Park Entry, Park Central and Mini-Golf developments.
6	Rangitāne Iwi	Numerous over 18 months	Presentation at Iwi Bi-monthly meeting at Council.	General comments include support for bilingual name for the Esplanade, support for Te Reo names for 6

			<p>Casual meetings held at Cafe Esplanade.</p> <p>Chris Whaiapu (Ngati Hineaute Authority) accompanied staff on Hamilton Gardens visit 25 July 2017.</p> <p>TMI reps attended multi-discipline workshop on site.</p>	<p>character areas, support for more iwi expression elements including waharoa. Noted that Esplanade land only formed tiny part of vast area extending along the Manawatu River therefore their focus more on the wider Manawatu River Framework implementation.</p>
7	2018-28 Long Term Plan	<p>Consultation March/April 2018</p> <p>Hearings May 2018</p>	<p>Written/web based submission</p> <p>Oral presentation at Hearing</p>	<p><i>Note: Submissions have already been read, analysed and heard through LTP process so are not repeated here in the interests of brevity.</i></p> <p>188 submissions included comment on Esplanade – 50 supported upgrades, 15% opposition, 34% no opinion.</p>
8	Key Stakeholders	Numerous contact with all parties over 18 months	Face to face meetings, phonecalls, emails, participation at workshops, participation in video by Grant Taylor of ESR	<p><i>Note: Submissions have already been read, analysed and heard through LTP process. As such, only three additional points are made as these parties did not make submissions in the LTP process:</i></p> <p>Specific key points to note that CLM (Lido operators) have no objection to Main Park Road entry improvements subject to further consultation in Developed Design stage.</p> <p>Holiday Park Leaseholders supported proposals just want to sure secure fence is retained along their shared</p>

boundary.

Manawatu Striders

The owner of **Cafe Esplanade** reiterated concerns that if other food/drink retailers are allowed to operate outside of special events this will negatively impact his business. He noted this restriction is included in his lease and reflects the fact that in winter and on poor weather days he has low custom begin sited off the roading network in a destination location.
