

3 February 2019

To the Chief Executive
Palmerston North City Council,
PALMERSTON NORTH

NOTICE OF MOTION

I, Councillor Karen Naylor, in accordance with Standing Orders 3.10.1, hereby GIVE NOTICE OF MOTION that I will move at the next Council meeting on 25 February 2019 the following motion:

“The Chief Executive be instructed to provide a report outlining the Part 2 decisions made over the past 2 years, what information has been released, and what information has not been released including the reason for withholding the information.”

AND I further give notice that in compliance with Standing Order 3.10.2 the reason for the Notice of Motion be:

“Standing order clause 2.16.5 requires council to consider what, if any, information from Part 2 will be released to the public. This has not been routinely implemented by this council and recent events have highlighted the need to improve the level of transparency of council decisions. Section 5 of LGOIMA states that "Information shall be made available unless there is a good reason for withholding it". The purpose of requesting this information is so that council can consider whether any Part 2 information that has not been released, should be released, in order to comply with LGOIMA.”

Moved: Councillor Karen Naylor
Seconded: Councillor Brent Barrett
