Memorandum, dated 8 February 2017 from the Committee Administrator, Rachel Corser.

#### **MEMORANDUM**

TO: Arts, Culture and Heritage Committee

MEETING DATE: 13 February 2017

TITLE: Conference Opportunity - DX 2017 Driving Digital Transformation

**Conference 2017** 

DATE: 8 February 2017

AUTHOR/S: Rachel Corser, Committee Administrator, City Corporate

#### RECOMMENDATION(S) TO ARTS, CULTURE AND HERITAGE COMMITTEE

1. That the Committee approve the attendance of XX elected member(s) to attend, with expenses paid, to the DX Driving Digital Transformation Conference 2017 being held in Auckland on Wednesday 22 March 2017 and Thursday 23 March 2017.

2. That, in the event the Committee approves the attendance of an elected member or members at the above training, then registrations of interest be invited from elected members wishing to attend, with expenses paid, and advise the Committee Administrator, Rachel Corser, by 12 noon Friday 17 February 2017.

#### 1. ISSUE

The elected members' budget for conference attendance and training opportunities is \$81,732.00. As at 8 February 2017 there remains \$36,861.00 available for the balance of the financial year ending 30 June 2017. This does not include outstanding invoices that have been previously approved, but have yet to be presented for payment.

Fees for full registration (conference and two workshops) will be \$2,697.00 excluding GST.

No financial provision is to be made for any spouse or partner of an elected member attending any conference or training opportunity, other than for the Mayor's spouse or partner attending a conference in association with the Mayor.

#### 2. BACKGROUND

The DX Driving Digital Transformation Conference is a two day event taking place in Auckland on Wednesday 22 March 2017 and Thursday 23 March 2017. The conference will take place on 22 March 2017 and the two workshops on 23 March 2017.

The conference will examine digital transformation at an international and local level to understand the accelerators, leadership strategies and customer experiences driving digital transformation.

Key themes for 2017 include Vision, Strategy and Governance, Technology and Platforms, Customer Experience, and People, Capability and Operational Efficiency.

The conference will hear from digital leaders on:

- How digital transformation is stacking up abroad and what this means for NZ
- Key skills, traits and attributes of effective digital leaders
- Technologies driving the digital revolution
- Transitioning away from legacy technologies and embracing disruptive technologies, while maintaing BAU
- How organisations can take advantage of SaasS to drive agility and innovation

The two workshops are titled 'Overcoming the legacy trap – Integrating new technologies to support your digital transformation' and 'Culture and change management skills to drive digital transformation.'

The conference programme is available and is attached.

#### 3. NEXT STEPS

The Committee may choose whether any elected members should attend the conference and/or workshops, and if so, how many, in which case the Committee could invite registrations of interest from elected members wishing to attend.

The Committee may permit the attendance of elected members at conference and training opportunities, with leave of absence and appropriate expenses paid; the decision on such attendance to be reported back to the Council by the Mayor.

If the Committee decides to approve the attendance of one or more elected members, registrations of interest will be sought from elected members. At the closing date of registrations (12 noon on Friday 17 February 2017), the Committee Administrator will advise the Chairperson and Deputy Chairperson of the interest received, for them to make a decision on the successful registrant(s).

Once the Chairperson and Deputy Chairperson have advised the Committee Administrator of the successful registrant(s), all further information regarding the workshop will then be forwarded to that person or those persons direct.
