

PALMERSTON NORTH CITY COUNCIL

Minutes of the Council Meeting Part I Public, held in the Elwood Room, Conference & Function Centre, 354 Main Street, Palmerston North on 26 August 2020, commencing at 9.01am

Councillor Leonie Hapeta left the meeting at 9.55am during consideration of clause 79. She entered the meeting again at 10.00am during consideration of clause 79.

80-20 Deputation - Andrew Pearce

Andrew and David Pearce from Cooee Drycleaners spoke to Council on the proposed Cuba Street Development. They made the following comments:

- Received an email saying the Council had agreed a development plan for Cuba Street, but none of the business owners on Cuba Street have seen any plan or proposal.
- Against any reduction in the car parks available on Cuba Street as this will harm businesses.
- Would like to see short term parking and prefer angle parking over 90 degrees parking.
- Disagrees with council's proposal to transform Cooee Drycleaner's off road parking space into a loading zone. Believes there is no need for another loading zones as there are several other loading zones nearby. Cooee's delivery vans use the parking space, which significantly limits the number of customers needing to visit the shop.
- Was told by council officers that they have a mandate to remove all parking spaces in Palmerston North, which is against the wishes of business owners.

Council officers stated that work to draft a proposal for Cuba Street was ongoing. Once a proposed plan has been formalised, consultation would take place with all affected businesses and the public.

Moved Grant Smith, seconded Tangi Utikere.

REPORTS

82-20 Memorandum of Understanding Three Waters Services Reform Memorandum, presented by Heather Shotter Chief Executive.

Moved Grant Smith, seconded Tangi Utikere.

RESOLVED

1. To note that in July 2020, the Government announced an initial funding package of \$761 million to provide a post COVID-19 stimulus to maintain and improve water networks infrastructure, and to support a three-year programme of reform of local government water services delivery arrangements; and
2. To note that initial funding will be made available to those councils that agree to participate in the initial stage of the reform programme, through a Memorandum of Understanding (MoU), Funding Agreement, and approved Delivery Plan.
3. To note that this initial funding will be provided in two parts: a direct allocation to individual territorial authorities, and a regional allocation. The participating individual authorities in each region will need to agree an approach to distributing the regional allocation.
4. To note that the Steering Committee has recommended a preferred approach to the allocation of regional funding, being the same formula as

was used to determine the direct allocations to territorial authorities.

5. To agree to sign the MoU attached as Appendix A and Funding Agreement attached as Appendix B to the report titled “Memorandum of Understanding Three Waters Services Reform”.
6. To agree to nominate the Chief Executive of the Council, as the primary point of communication for the purposes of the Memorandum of Understanding and reform programme – as referred to on page 6 of the Memorandum of Understanding.
7. To agree to delegate decisions about the allocation of regional funding to the Chief Executive of the Council, with the understanding that the minimum level of funding to the Council be based upon the formula used to calculate the direct council allocations, and noting that participation by two-thirds of territorial authorities within the Manawatū-Whanganui region is required to access the regional allocation.
8. To note that the Memorandum of Understanding and Funding Agreement cannot be amended or modified by either party, and doing so would void these documents.
9. To note that participation in this initial stage is to be undertaken in good faith, but this is a non-binding approach, and the Council can opt out of the reform process at the end of the term of the agreement (as provided for on page 5 of the Memorandum of Understanding).
10. To note that the Council has been allocated \$4.67m of funding, which will be received as a grant as soon as practicable once the signed Memorandum of Understanding and Funding Agreement are returned to the Department of Internal Affairs, and a Delivery Plan has been supplied and approved (as described on page 5 of the Memorandum of Understanding).
11. To note that the Delivery Plan must show that the funding is to be applied to operating and/or capital expenditure relating to three waters infrastructure and service delivery, and which:
 - a. supports economic recovery through job creation; and
 - b. maintains, increases, and/or accelerates investment in core water infrastructure renewal and maintenance.
12. To authorise the Chief Executive to develop and finalise the Delivery Plan including to address any feedback from Government and obtain the approval needed to release the funding.
