What we want:

- Safe and secure place of work for our members
- Massey University to thrive, and its staff and students are contributing members of the city's community & economy
- Massey facilities including Turitea historic area (PPCJ) and sports facilities continue to be relevant and significant to Palmerston North and its residents
- Palmerston North to continue to be a great place to live

What's happening now that concerns us:

- Job cuts and redundancies
- Programme/courses changes and cuts
- Decline in students on campus and in the city – Covid & policy changes
- Economic & community impacts of these changes
- Lack of meaningful consultation and engagement with stakeholders prior to decision making
- Decline in reputation to the University and this City

teu.ac.nz @nzteu

How you can help:

- 1. Engage with the University** to oppose cuts and ask to be a part of the decision-making process when it affects this city (e.g., Artists in Residence)
- 2. Speak up** to MPs, Government, and community to increase awareness of the cuts in the tertiary sector and particularly Massey University and the impact that these will have on Palmerston North city
- 3. Continue to engage with TEU**
