- QEC
- Massey & Te Pūkenga UCOL
- Te Awahou Kai
- Unity Food - Whanganui
- Bulls and District Community Trust
- Marton Churches Food Pantry
- Churches and community meals - Just Life, Legacy, Hope Vineyard, Life Point
- The Woodville Pantry
- Y Education

...to name a few

The value

for every **1kg** of food

2.86 meals are created

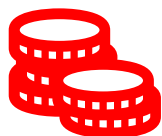

2.65kg of CO2 emissions don't enter the atmosphere

830L of water is saved

for every **\$1** invested in food rescue

social return is \$4.50

For Palmy last year, it's

1,526,973.877kg of food rescued and distributed

1,414,853.4kg of CO2 emissions prevented

443,142,768 L of water saved

Since we began, that's

7,615,534 meals provided

9,081,524 emissions prevented

Thank you

Low Carbon Fund Allocations 2023/24

21 August 2024 Sustainability Committee

Low Carbon Fund Allocations 2023/2024

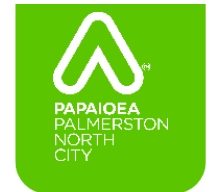

The Low Carbon Fund provides \$1,000,000 of capital funding per year to enable investments that reduce greenhouse gas emissions.

On 13 March 2024 the Sustainability Committee received a progress report on Low Carbon Fund from 01 July 2023 to 01 March 2024. This report detailed \$496,640 of allocations to seven projects.

The full amount of the fund has now been allocated to nine projects resulting in \$171,950 of financial savings and 1,515 tons of emissions savings.

Electric Vehicles

Additional electric vehicles, purchased before the Clean Car Discount was discontinued in December 2023, will save between ~\$1,500 and \$4,000 per year in fuel costs as well as reducing emissions by between 25 and 41 tons depending on mileage.

Te Kaunihera o Papaioea | Palmerston North City Council

MRF Solar

210kW of new solar will offset up to 93% of electricity usage at the Materials Recovery Facility (MRF).

This will save ~\$34,750 and reduce emissions by over 20 tons each year.

Te Kaunihera o Papaioea | Palmerston North City Council

ATV

A new electric resource recovery ATV will save ~\$3,000 per year in fuel costs as well as reducing emissions by around 2.5 tons.

Te Kaunihera o Papaioea | Palmerston North City Council

Low Carbon Fund Cumulative Performance
